

OEL 89-65

19 January 1965

MEMORANDUM FOR : Chief, GSD
Chief, ASD
Chief, SMS

25X1A

25X1A

SUBJECT : Possible Consulting Tasks for [REDACTED]

SUSPENSE DATE : Noon Thursday, 21 January 1965

25X1A

25X1A

1. [REDACTED] is a member of the [REDACTED] and is available to OEL for consultation. I am not sure of the clearances which [REDACTED] holds, but Dr. Wheelon has instructed that [REDACTED] will not be involved.

25X1A

2. Would you please let me have by Thursday noon a list of items which you feel might be suitable for [REDACTED] to work on. It occurs to me, for example, that he might be of considerable assistance in the areas of data processing, signal retrieving techniques when the signal noise ratio is one (1) or less, and in the development of new recording concepts or techniques. Your suggestions should cover any areas which you feel might possibly be appropriate.
